## SILKOLENE CONTACT CLEANER

Available packs: 500 ML

CONTACT CLEANER is a powerful solvent-based cleaner, designed to remove grease, oil, and contaminants from electrical components and mechanical parts. Its fast-drying formula leaves no residue, making it ideal for cleaning fouled plugs, suspension and engine components during assembly, thereby ensuring maximum component life.

## SILKOLENE TITANIUM DRY LUBE

Available packs: 500 ML

TITANIUM DRY LUBE is a non-fling chain lubricant, boosted with PTFE for superior anti-wear and anti-corrosion performance, even in severe conditions. With a hyper-strong dry formula that leaves a white "as new" finish, TITANIUM DRY LUBE ensures long-lasting protection without attracting dirt, making it ideal for both road and off-road use.

## SILKOLENE ALL IN ONE SPRAY

Available packs: 500 ML

ALL IN ONE is a versatile, premium moisture-repellent spray that can be used in a variety of applications in both the garage and home. With excellent dewatering properties, ALL IN ONE provides exceptional protection by repelling moisture, preventing rust, and lubricating moving parts. ALL IN ONE ensures smooth operation and long-lasting protection against corrosion. Its multi-purpose formulation makes it a reliable choice for maintaining motorcycles, tools, and household equipment.

**FUCHS  
COPPER PASTE**

Available packs: 100 GM

COPPER PASTE is a high-temperature anti-seize lubricant formulated with copper particles to prevent rust, pitting, thread distortion and seizure due to corrosion and chemical attack. Ideal for assembly and disassembly tasks, it reduces friction and ensures smooth operation of fasteners, wheel nuts, spark plug threads, exhaust systems and more. COPPER PASTE can also be applied to calipers, pins and brake pads to prevent brake squeal.

## SILKOLENE PRO RG 2

Available packs: 500 GM

PRO RG2 is a multi-functional, high-performance synthetic racing grease, offering excellent water repellence, heat resistance, and corrosion protection. With a high melting point, its advanced formulation ensures long-lasting lubrication, making it ideal for use in high-stress environments such as off-road racing.

## SILKOLENE PRO PREP SPRAY

Available packs: 500 ML

PRO PREP is a scented, high-quality and water-repellent, hard surface conditioner that provides a protective microbarrier against dirt and unwanted deposits. PRO PREP enhances the appearance of plastic parts with a factory finish and helps waterproof and insulate ignition systems.

## SILKOLENE CHAIN LUBE SPRAY

Available packs: 500 ML

CHAIN LUBE is a semi-synthetic chain lubricant suitable for both on- and off-road motorcycles. Its advanced formulation ensures maximum penetration, superior anti-wear protection, and reduces chain friction for smoother operation. This lube resists fling-off, ensuring long-lasting lubrication even in challenging environments. Suitable for all chains including "O" and "X" ring types.

## SILKOLENE BRAKE / CHAIN CLEANER

Available packs: 500 ML

A powerful cleaner for brake and chain components, BRAKE & CHAIN CLEANER is a powerful, fast-acting spray designed to remove dirt, grease and unwanted deposits from motorcycle brake and chain systems. Its advanced formula ensures thorough cleaning, helping to maintain optimal braking performance and prolong chain life. Suitable for all types of motorcycles, this cleaner dries quickly and leaves no residue.
